

PhD Positions at the Chair of Robotics Science and Systems Intelligence, Technical University of Munich, Munich School of Robotics and Machine Intelligence (MSRM), Germany.

We are looking for PhD students as new members for our group. Some PhD positions are being established at the Chair of Robotics Science and Systems Intelligence (RSI) as a part of Munich School of Robotics and Machine Intelligence (MSRM). We wish to fill the positions with highly qualified and motivated students.

We are continuously looking for EXCELLENT AND CREATIVE PhD students to join our multinational and interdisciplinary team. Please consider applying if you have a background in electrical engineering, computer science, mechanical engineering, biomechanics, or a comparable field. We especially seek individuals who wish to specialize in robotics, machine learning, control, neuromuscular and musculoskeletal modelling, or the like. As a successful applicant, you should be able to carry out high-quality research and publish distinguished articles; meanwhile leap from academic publication to real-life solutions so that your research solves the real world problems.

PhD applications should include the following documents:

- A motivation letter describing your research interests, your qualifications, and why you would be a suitable candidate
- A detailed CV
- Academic transcripts from your Bachelor's and Master's degrees
- Email addresses of at least two references

Interested applicants should send us the necessary documents via email to: applications@msrm.tum.de. Only shortlisted candidates will be notified.

Data Protection Information:

When you apply for a position with the Technical University of Munich (TUM), you are submitting personal information. With regard to personal information, please take note of the Datenschutzhinweise gemäß Art. 13 Datenschutz-Grundverordnung (DSGVO) zur Erhebung und Verarbeitung von personenbezogenen Daten im Rahmen Ihrer Bewerbung. (data protection information on collecting and processing personal data contained in your application in accordance with Art. 13 of the General Data Protection Regulation (GDPR)). By submitting your application, you confirm that you have acknowledged the above data protection information of TUM.
