

# Call for Workshop Proposals

## 2020 IEEE International Conference on Systems, Man, and Cybernetics (SMC 2020)

7-10 October, 2020, Metro Toronto Convention Centre (MTCC), Toronto, Ontario, Canada

---

Workshops are a valuable way to engage current and prospective IEEE SMC members by offering an immersive experience over a half to a full day of activities. The SMC2020 organizers invite your proposal for a workshop to be held on Sunday, 11 October, 2020.

Please complete the form below and submit it by email by April 5, 2020 to the Workshop Co-Chairs:

- [Abdulmotaleb El Saddik \(elsaddik@uOttawa.ca\)](mailto:elsaddik@uOttawa.ca)
- [Christopher Nemeth <cnemeth@ara.com>](mailto:cnemeth@ara.com).

### IMPORTANT DATES
